

Peak Phys Ed

Revision Programs.

The missing piece to maximising your exam performance.

ADAPTED REVISION OPTIONS

We often hear the term “control the controllables” and during the uncertain times created by COVID-19 the face2face Peak Phys Ed revision programs will be replaced by ZOOM webinars.

Each session is designed for students who want to maximise their full potential in the Physical Education Examination in 2020. Each session will offer comprehensive coverage of Unit 3 OR 4, with an emphasis on the content that is frequently misunderstood and application to exam style questions. Maximum student engagement will be encouraged during each session with Q & A active throughout, and a dedicated ‘open question’ conclusion.

STUDENT BONUS REWARDS

ALL ATTENDEES WILL RECEIVE:

- ✓ A SUMMARY NOTES BOOKLET
- ✓ A PRACTICE EXAM (Valued at \$110) with an opportunity for it to be cross-marked via Zoom
- ✓ An “EXAM BUSTER” 100 MULTI-CHOICE Q & A PACKAGE
- ✓ A “TOP 10 EXAM MISTAKES & HOW TO AVOID THEM” summary, including a question breakdown analysis for last 5 exams.

PROGRAM ADVANTAGES

Students can:

- ✓ Select either Unit 3 or Unit 4
- ✓ Decide to attend multiple sessions
- ✓ Select a Unit 4 session to coincide with final SACs
