

Discovery

Australian Physical, Health and Sport Education Conference

Friday 19 March 2021

Melbourne Cricket Ground (MCG) & National Tennis Centre (NTC), Melbourne, Australia

The Discovery conference entering its 12th Year in 2021 is the ultimate professional learning event in Melbourne focusing on innovative and evidence-based practice for teaching primary and secondary students in Health, Physical Education and Sport. If you are interested in high quality professional learning, with dynamic presenters within a world class facility then this is the conference for you.

In 2021 we have reimagined our format to include a magnificent array of both face to face and a digital showcase of on demand presentations. Every measure to ensure your safety is in place as always but in the event of public health guidelines preventing face to face delivery we are well placed to pivot and deliver all theory sessions virtually. In this instance we will ensure each participant gains access to all recordings for the conference. We have added a brand-new digital showcase of on demand sessions so although you can only attend four sessions on the day you will be able to access the on-demand sessions at your convenience post conference.

The conference program focuses on the contribution Health, Physical Education and Sport make to student achievement, engagement and wellbeing in particular:

- Student centred pedagogies.
- Meaningful integration of ICT in HPE.
- Developing excellence in Teaching and Learning.
- Student engagement and well-being.
- Curriculum planning and assessment.
- Authentic learning and assessment.

Discovery 2021 gives teachers from primary, secondary and special schools the opportunity to:

- Choose from 36 high quality elective workshops Across 9 parallel streams per session.
- Engage in 4 interactive sessions throughout the day.
- Access to a world-renowned presenter delivering a pre-recorded keynote address available on demand allowing you to access anytime.
- Access to our brand-new 'Digital Showcase on Demand' of pre-recorded presentations which can be viewed at your convenience.
- Participate in contemporary, inclusive and practical aspects of health, physical education and sport education.
- Access sessions tailored to the Australian Curriculum and the Victorian Curriculum, VET or the VCE study designs.
- Access over 50 dynamic high-quality presenters who will showcase their expertise and knowledge of health education, physical education, physical activity, health and wellbeing and sport education.
- Sessions designed and delivered by teachers from all sectors and academics from RMIT, VU, Deakin, Swinburne, Macquarie, Federation and Latrobe Universities.
- Participate in sessions in world class function rooms and physical activity spaces.
- Access magnificent catering (or all recordings if face to face presentations are not permitted on the day due to public health advice).
- Gain access to all electronic materials for all conference sessions.

Cancellation Policy

If you are unable to attend this event, a replacement delegate may be sent in your place at no extra charge. We do not provide refunds for cancellations made more than 7 days after your registration is received therefore, the invoiced fee remains payable in full. Should you wish to cancel your registration within the 7-day cooling off period, an administration fee of \$75 per delegate (GST inclusive) remains payable. Any cancellation must be made in writing and sent by email. Peak Phys Ed will make available conference resources to any delegate who is unable to attend and who has paid in full.

In the event of public health guidelines preventing the face to face delivery of some or all sessions the conference organisers will replace face to face theory sessions and where possible some practical sessions with online delivery and in lieu of catering provided on the day delegates will instead have access to digital recordings made for this conference. Contact information provided will only be for the use of Peak Phys Ed and will not be shared with any other organisation.
