**Planning for the new VCE PE
Units 1&2 commencing 2017**

Thursday 1 December 2016

Manningham Function Centre – Doncaster

Workshop Overview

The VCE Physical Education Unit 1 & 2 course has changed for 2017. This whole day professional learning workshop will provide both new and experienced teachers a great opportunity to come together, plan, collaborate and engage in lots of forward thinking. We have used this highly interactive format across previous professional learning focusing on Health Ed, ICT and Outdoor Education with great success, allowing teachers to walk away with a huge bank of ideas, resources and contacts.

The aim of the day is to produce take home units of work for both Units 1 & 2. Groups will be facilitated by experienced educators and those directly involved in the creation of the new study design and a range of supporting resources.

Every participant will have an opportunity to get involved and contribute to the development of key content teaching ideas, classroom and practical activities and assessment tasks. Bring along ideas around possible resources and even create new ones on the day, especially around the 'investigation of a contemporary issue'.

Come along, contribute, share, collaborate and have all of your teaching plans, resources and assessment ideas for the new VCE Physical Education Units 1 & 2 taken care of. You can have a great holiday knowing that most of the hard work has been done.

Facilitators

Each of the four presenters/facilitators have extensive experience teaching VCE PE, developing VCE resources and assessments tasks (SACS and exams), VCE study design development:

- Rachael Whittle
- Rob Malpeli
- Rhonda Mallender
- Dr Amanda Telford
