teaching & learning opportunities

"Score
your goals
by attending
Super Sunday"

"Super Sunday" was a huge success last year when 60 students attended a whole day exam preparation focussing on Units 3 & 4 Physical Education. It was invariably the most committed students and those most interested in improving their exam application skills who invested their time to attend this whole day event. Exam results far exceeded their expectations and allowed the students to achieve their best possible overall grade in P.E.

This year "Super Sunday" is being offered to P.E students across the State on:

Sunday 8th October @ The Knox School (Wantirna South)

A limited number of students will be accepted to work intensively on:

- ▲ applying theory to examination style questions
- ▲ learning about, and avoiding common "bloopers" students make
- ▲ group work that expects students to have direct input to improving each other's key knowledge and skills
- ▲ question analysis and problem solving skills
- ▲ making connections between different parts of the course to strengthen understanding of key concepts

Other features:

1. **Robert Malpeli, Associate Professor Amanda Telford and Mark Corrie** will work with students throughout the day. They are published authors, VCE assessors, previous exam setters and highly regarded professionals in the world of Physical Education.
2. A top PE student from previous years will share strategies to maximise exam preparation & performance on the exam.
3. Working in 3 smaller groups will allow students to engage very closely with each presenter.
4. Extensive graph analysis, video clips & previous exam "dissection".
5. Students will sit a 90 minute "mock exam" and have this marked on the day to provide immediate feedback on strengths and areas in need of greater attention.

Email enquiries & registrations to : rob@peakphysed.com.au

Total cost - \$170..... Remember – places strictly limited!

✂.....

Please find attached my \$70 deposit, I have registered by via email and will pay \$100 balance on Super Sunday.
 (cheques should be made payable to Peak Phys Ed) **Closing Date : Friday 29th September**
